Iowa Supreme Champion
Dairy Heifer Scholarship Show

Attention: County Extension Offices,
County Fair Youth Dairy Show Superintendents
& County Youth Coordinators

We are asking for your help in spreading the word & your contribution to this opportunity for the Iowa 4-H & FFA Dairy Exhibitors. Once again, National Cattle Congress Fair will be hosting the Iowa Supreme Junior Champion Dairy Heifer Scholarship Show in September. National Cattle Congress and the National Cattle Congress Dairy Committee believe this is a way for the Youth from across the state to come together & meet other with similar interests. Our hope is for them to enjoy their experiences and share and learn from one another & most importantly have FUN!!!

The National Cattle Congress is proud to continue this annual event for the youth involved with dairy projects through 4-H and FFA. The National Cattle Congress Fair will once again crown a Statewide Iowa Supreme Junior Champion Dairy Heifer, as well as a Reserve and Honorable Mention. The winners will receive scholarships for college. Eligible participants* for this particular event must be a member of a 4-H Club or FFA Chapter and must have won their county Supreme Junior Champion* or Reserve Supreme Junior Champion* of all the exhibiting dairy breeds. (Each County must crown an Overall Champion of the breeds to qualify.)

**Note: In 2014, we opened up our scholarship show to a few of the neighboring states and counties as well in hopes to include more youth, and receive more exhibitors. We will continue this again this year.*

**Note: If a qualifying animal calves prior to the date of show at National Cattle Congress, she will be ineligible for the show.*

**2018 Update: Previous winners of the Supreme Champion in the scholarship are now ineligible of participating in hopes of opening it up to new exhibitors.*

County Fairs

Each county fair is asked to crown a Supreme and Reserve Junior Champion Dairy Heifer* or Overall Champion Heifer of all dairy breeds exhibited. (**Note: A Heifer is defined as a female cow that has not had a calf.*)

The champion and reserve will be given a certificate and asked to fill out a form with their information. The form is to be returned to the National Cattle Congress Office so they can be entered and fair information can be sent out. There will be no entry fees for this particular event, but participants are encouraged to enter in the National Cattle Congress Youth Dairy Show.

The certificate is included in this packet for the county fair to fill out the day of their youth dairy show. The Youth's name, county, date, placing received, and the heifer's name will need to be filled in on the certificate. This certificate will be used when checking the exhibitor and heifer in when they arrive at the National Cattle Congress, as well as to announce the exhibitor when they enter the ring.

National Cattle Congress

Once all entries are received (*entry deadline September 1, 2019*, except for any shows that take place after this date), NCC will mail out exhibitor information and fair passes.
